Invites All to Attend, to Hear and Discuss

IMMIGRATION ISSUES IN OUR COUNTRY AND IN ST. CHARLES COUNTY

Come to hear recent updates related to Immigration Reform from our Executive Director Miriam Mahan. Come to learn and understand the challenges immigrant families and their children face daily; i.e., in communities, in their neighborhoods, in the workplace, in the schools and other places.

Our Keynote Speaker will be **Silvina Baez**, a St. Charles County resident, born in Mendoza, Argentina. Ms. Baez serves as the Pastoral Associate for the Hispanic community at St. Charles Borromeo Parish and has become an integral contributor to the Social Justice in Action Committee. Ms. Baez has an enlightening personal story to share with us.

You are invited to come and contribute to the dialogue and answer the question -

"What Can We Do" ?
